

# Save Your Pop Tabs

**Dylan DeBeer** is a 5 year old Ingersoll boy who attends the Woodstock Christian School. He has a younger brother, Dustin, who is only 3 years old.

Dylan tires easily and is prone to falling because of an issue with C.P., especially on his right side. He has a dog named Jarpi whom he loves very much and likes to take for a walk. Other things that keep this little cutie occupied are TV, picture books and outdoor play, especially in a sandbox. Trains and tracks also make his eyes light up!

**He requires a new Convaid Cruiser**

*So please save your pop tabs to help Dylan get his new stroller.*
