This consent/waiver form is a general consent for the year of September 2022 – August 2023. In the event of an overnight activity, a separate consent form will be sent home with specific information. Youth will not be allowed to participate in youth events that are off-site unless this consent form is signed.

I am aware that medical officials can authorize emergency medical care that is required should the need arise. This would apply only when a serious condition exists and Westview Baptist Church youth leaders and medical officials have been unable to contact the parents/guardians. Precautions are taken for the safety and health of your child, but in the event of accident or sickness, Westview Baptist Church, its staff and volunteers are hereby released from any liability.

_____(Initial for consent) I give permission for my son/daughter to participate in Westview Baptist Youth Group events for the year of September 2022 – August 2023

_____(Initial Consent) I give permission for Westview to use pictures of my youth for church slideshows, the church newsletter, church bulletin boards, church website, Facebook and other social network media.

_____(Initial Consent) I give permission for my youth to participate in scheduled online meetings and events organized by the church should youth group events be moved online.

_____(Initial; for student) I understand that I cannot forward, publish or share my pictures which show another person(s) without first ensuring that express written permission has been given through this form.
